

Accessing ADA Modules in D2L Momentum

Step One – Access ADA Compliance Course

Log into D2L and click on the “ADA Compliance Training” Course from your courses listed

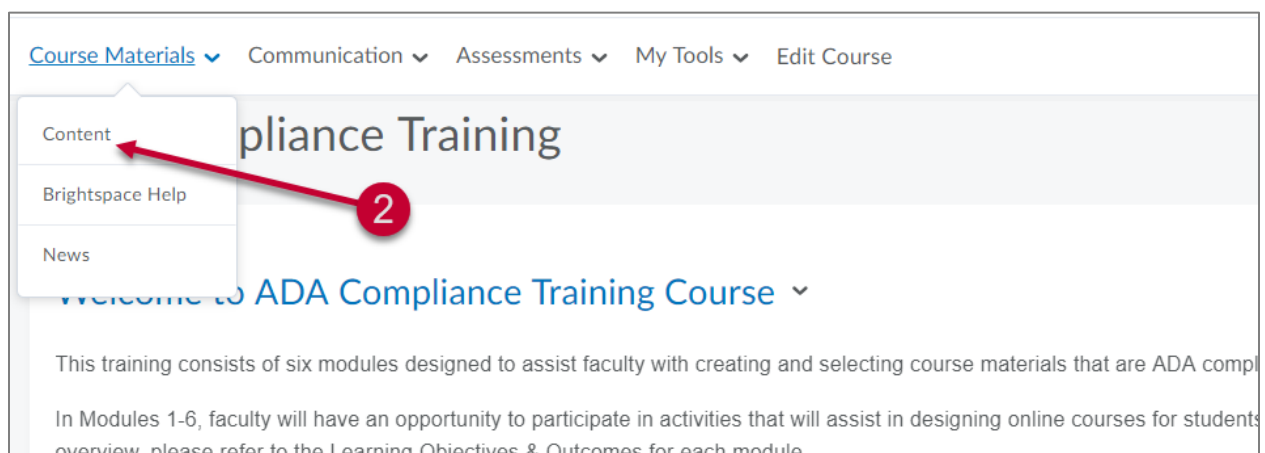

The screenshot shows the D2L Momentum interface for Roane State Community College. The top navigation bar includes a home icon, the college logo, and utility icons for a grid, email, chat, and notifications. Below the navigation bar, there are tabs for 'My Tools', 'Edit Course', and 'Insights Port'. A search bar is active, containing the text 'ADA COMPLIANCE TRAINING'. A red circle with the number '1' and an arrow points to the search bar. Below the search bar, a list of courses is displayed, including 'Igor's Sandbox - IGORSB.201850', 'INFS-1010-W03 - Computer Applications - 12533.201810', 'HS995-301U18 Oak Ridge - 301U18', 'HS995-101U18-Harriman - 101U18', 'Composites - Vacuum Infusion Certification - CVIC.201580', 'ADA Compliance Training - ADACT', and 'HIMT-1300-025 - Medical Terminology - 91839.201880'. On the left side, there is a 'My RSCC Courses' dropdown menu.

Step Two – View Content

Click on the “Course Materials” dropdown menu from the Navigation Bar

Click on the link for “Content” in the dropdown list

The screenshot shows the D2L Momentum interface for the 'ADA Compliance Training' course. The top navigation bar includes a 'Course Materials' dropdown menu, 'Communication', 'Assessments', 'My Tools', and 'Edit Course'. The 'Course Materials' dropdown menu is open, showing options for 'Content', 'Brightspace Help', and 'News'. A red circle with the number '2' and an arrow points to the 'Content' option. Below the navigation bar, the course title 'ADA Compliance Training' is displayed. Below the title, there is a 'Welcome to ADA Compliance Training Course' dropdown menu. The main content area contains text describing the training: 'This training consists of six modules designed to assist faculty with creating and selecting course materials that are ADA compl...' and 'In Modules 1-6, faculty will have an opportunity to participate in activities that will assist in designing online courses for students overview please refer to the Learning Objectives & Outcomes for each module'.

The Items found inside the content are are broken down below with a short description for each module

Descriptions of ADA Training Modules

Module 1: Understanding ADA

This module explores the history of the Americans with Disability Act (ADA). Additionally, you will gain insight into the challenges faced by students and faculty with disabilities participating in online courses.

Module 2: Creating ADA Compliant Materials

This module will explain how to make documents in Microsoft Office, PowerPoint, and PDF files ADA compliant for online courses.

Module 3: D2L/Momentum and Accessibility

This module will provide information on creating ADA compliant courses using D2L/Momentum.

Module 4: Creating Accessible Audio, Video, and Images

This module will provide an overview of how to make audio clips and videos accessible.

Module 5: Accessibility Quick Reference Guides and Tools

This module provides quick reference guides on how to make materials ADA compliant.

Module 6: Accessibility Resources

This module provides contact information for services that offer help in compliance with ADA guidelines.
