

Creator+ Inserting Flip Cards

Flip Cards are useful for displaying a collection of items, either related or unrelated. Flip cards can be used to create associations, or as a Questions/Answer tool. Flip cards can include a combination of text and images.

To Insert a Flip Card:

In the page editing window, click on the **Other Insert Options** icon on the **Editor Ribbon** (1).

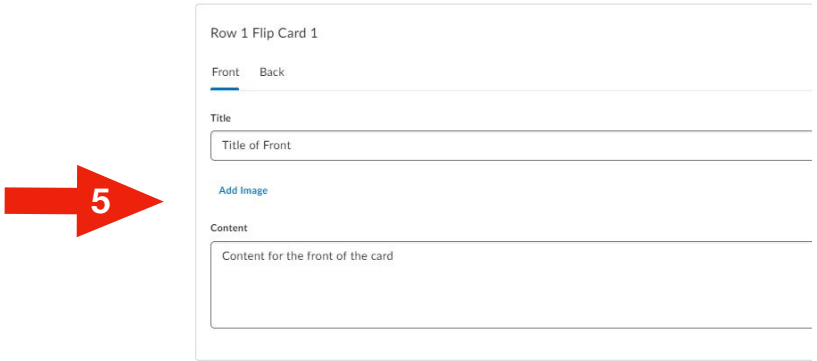

Select **Insert Element** (2).

The **Insert Element** window will pop up with a list of Elements to choose from. Select the **Flip Card** element (3).

Add in information in the **Learner Instructions** (4) and the **Title and Content** (5) boxes.

You can select the **Front** and **Back** tabs to add content to either side.

Click **Preview** (6) and review your card.

If your **Flip Card** is to your liking , click **Insert (7)**. If not, click **Back** to continue editing.
